INTERNATIONALE FOTOGRAFISKE ORGANISATIONER OG KONKURRENCER

World Photography Organization

<https://www.worldphoto.org>

A global platform for photography

The World Photography Organisation is a global platform for photography initiatives. Working across up to 180 countries, our aim is to raise the level of conversation around photography by celebrating the best imagery and photographers on the planet. We pride ourselves on building lasting relationships with both individual photographers as well as our industry-leading partners around the world.

Our year-round portfolio of programmes and events includes:

Sony World Photography Awards

Free to enter and open to all photographers, the world's largest photography competition celebrates its 10th anniversary in 2017. Winning photographers are flown to London to receive their prizes at the annual awards ceremony. Winning, shortlisted and commended photographers are showcased at the Sony World Photography Awards Exhibition each Spring in London, United Kingdom.

PHOTOFAIRS, International Art Fairs Dedicated to Photography

With destinations in Shanghai and San Francisco, PHOTOFAIRS is dedicated to presenting fine art photography and moving image from leading international galleries and their artists.

Through a highly curated approach, PHOTOFAIRS provides an elegant and vibrant environment for both established and new collectors.

Photo Competitions

<http://www.photocompetitions.com>

At Photo Competitions you can discover the latest amateur and professional photo contests, competitions and awards.

There's no need to search in multiple locations, you can simply visit Photo Competitions for easy searchable competition listings, for all of the largest photography contests around the world.

If you sign up to the [Photo Competitions newsletter](#) we'll email you every time a new competition opens. You can also filter by the photography category you're interested in, so you will only receive emails about the competitions that are relevant to you. There will be competitions suitable for all types of photographers, from wildlife to fashion photography.
